1. Using the vocabulary from **U6L2**, create and draw a monster with a strange color of skin, an unusual number of body parts for: **cabeza, boca, nariz, ojo, oreja, brazo(arm), mano, tobillo, rodilla, pies.**
2. From **U6L1** and **U6L2** vocabulary, choose four activities/sports that your monster liked to do last year during each season. Make sure you include a visual representation for each sport in the drawing.
3. Unfortunately, your monster is injured and some of his body parts hurt, so he can't do or play his normal spring activity or sport. Show what parts are injured in the drawing.
4. In the written section below the drawing, explain the situation from the monster's perspective (forma de "yo") **in Spanish:**
